Defensive/Tactical Shooting Workshops

Tuesday evenings starting May 14th 6:00 PM-8:00 PM

Cost \$30 donation

Open to all Riverside members, pre-registration is not required, just show up. These workshops will be a lot of fun. This training/practice is important for anyone who carries or is considering carrying. You must train frequently.

3 phases to every workshop:

1. Shooting Accuracy
2. Defensive Drills
3. Tactical Course of Fire

These workshops are intended to help everyone improve their shooting skills.

- No Pressure, just pleasure
- No Rushing, work at your pace
- No Judgements, no criticizing yourself either

The initial workshops will focus on pistol shooting, In a few weeks we will work in rifle work then shotgun work. At that point, you can shoot one or all three.

Required equipment:

- Centerfire pistol (future sessions will include rifle and/or shotgun)
- Extra magazines, or speed loaders three or more preferred
- 200 Rounds of ammo
- Pistol Holster
- Magazine or speed loader holster
- Eye & ear protection
- Notebook
- Vest, or other garment, which covers/conceals the holstered pistol
- Baseball type cap
- Proper range footwear

Weather permitting
