**THE RIVERSIDE GUN CLUB, INC.
(978) 562-2404**

Dear Applicant,

Thank you for applying for membership at the Riverside Gun Club. The club is a family-friendly sports organization with facilities and programs for both adults and youths.

Character References and Current Member Sponsorship are **required** to process your application. Please understand that a routine inquiry may be made during our initial and subsequent investigation, which will provide applicable information concerning character and general reputation.

New members are only inducted following an affirmative vote by the membership, at the General Membership meetings which occur on the third Monday of the even numbered months (February, April, June, August, October and December). Applications for membership **MUST** be submitted no later than 7 pm on the second Monday of an even numbered month (one week prior to a General Membership meeting) so that the application can be processed in time for the applicant's induction at the General Membership meeting the following week. Prior to presentation at the General meeting, the application must be reviewed and approved by the Executive Committee.

All applicants **MUST** appear in person at the next General Meeting following the approval of their application to be voted into the membership (approval may be assumed if not contact by the Executive Committee.). Applicants not able to attend the first General Meeting following the submission of their application for membership are required to submit a written explanation. Applicants who do not appear at the General Meeting, and who have not supplied a letter of explanation, will have their applications deferred to the following meeting. There are **NO EXCEPTIONS** to this membership rule.

Incoming members must comply with the **New Member Firearms Qualification** program. Details will be discussed following the General Meeting. New members should schedule a time with the Rifle and Pistol Chairperson, at the end of the General Membership Meeting in which you are accepted as a member. This process typically takes approximately 60 minutes. Your KeyCard will not be activated to allow access to the firearms ranges until you have successfully completed this process. **NO Exceptions** to this procedure are allowed.

Remember, it is your responsibility to be familiar with the application process as stated above. Failure to properly comply with this process may result in delay or forfeiture of your application so please save this page for reference.

Your completed application and payment may be delivered either by mail to the PO Box mailing address shown on the application or dropped off at the clubhouse downstairs bar during regular business hours.

Welcome! Riverside strives to be a very respectable organization which is dedicated to shooting sports, with archery and firearms and more. We have an exceptional emphasis on safety and strictly enforce all safety protocols. It is our sincere desire that you and your family will thoroughly enjoy your membership. Welcome!
