SKEET & TRAP

With the mild winter skeet & trap is remaining busy. We had our Spring cleanup in early April. I want to thank all who came to help rake the fields and load all the houses with targets. Hope everyone enjoyed all the pizza! We recently had our first 5-Stand outing of the year with a new layout of targets. Boy Scouts camped out a few weeks ago and some of them and their fathers shot some trap. Everyone had a lot of fun.

The outdoor ranges are cleaned up and ready for action. My thanks to 20-plus members coming out for the cleanup. [\(See page 4\)](#). The winter leagues culminated with the Awards Banquet for Jr. Rifle Program and the Bullseye Pistol Teams; the High Power Rifle Team kicked off competition in April; and the trout pond will be stocked in late April with a planned-opening is the first week in May. More details about the events and schedule are on the club website: www.Riversidegc.org.

The pistol team will continue shooting each Wed night throughout the summer on a very relaxed and casual score-your-own target session. The summer session is a very good time for new shooters to come
